

You have found a link to a very outdated manual, probably from an unofficial wiki or through some other means.

To find information about the 1.12.2 version of the mod:

- Check our github wiki [here](#)
- Check the in-game manual book '[Treatise on Principles of Ruling](#)' (it has the same content as the wiki)
- **Join our [Discord server](#)** for more info and guides
- check the FAQ in our wiki

If you need the 1.7.10 manual, you can find it [here](#).
